ALLIED HEALTH PROFESSIONALS NEEDED

Prepare for success with our certificate programs!

The Center for Continuing Studies of MCCC

*CERTIFIED NURSE AIDE
EKG TECHNICIAN CERTIFICATION

*PHARMACY TECHNICIAN CERTIFICATION

*PHLEBOTOMY TECHNICIAN

* For your convenience, these spring courses are running at our West Windsor AND Trenton campuses.

The Center for Continuing Studies of MCCC offers quality education with the latest learning tools. Our relationships with area employers strengthen and expand job-driven training and partnerships. Students within our Allied Health programs have a high probability of gaining employment following certification due to these partnerships.

Eligible students may be able to receive funding for the Allied Health programs through New Jersey's Ready to Work Grant.

For eligibility criteria, please visit www.rtwnj.org.
Tuition support may also be available for the unemployed.
For information on this, please call One-Stop at 609-989-6824.
