***Special Program Note on Attendance:***

Public Speaking is a performance course.

Full, on-time attendance to all sessions is mandatory in Communication courses because of the live performance, listening, group, speech and class participation factors. Students' individual performance, and the observation of peer performance are equally essential to reinforcing theory and concept. Skills are built over time. Each session is crucial. Missed time directly results in missed performance goals. Extensive lates or absences can result in significant point penalties, instructor initiated withdrawal, or failure of the course. These policies are communicated to the student in writing and live, in class, at the beginning of the course term and throughout it. For more information about the attendance policies in a communication course, please contact the Communication Program or the specific Course Coordinator.

**Academic Integrity Policy:**
Students are expected to comply with the college-wide requirements for academic integrity. Mercer County Community College is committed to Academic Integrity—the honest, fair, and continuing pursuit of knowledge, free from fraud or deception. This implies that students are expected to be responsible for their own work. Presenting another individual's work as one's own and receiving excessive help from another individual will qualify as a violation of Academic Integrity. The entire policy on Academic Integrity is located in the Student Handbook and is found on the college website (http://www.mccc.edu/admissions_policies_integrity.shtml).

**Equal Opportunity Policy:**
Mercer County Community College is committed to equal opportunity and affirmative action. Discrimination on the basis of race, creed, color, national origin, ancestry, age, gender, affectional or sexual orientation, marital status, familial status, liability for service in the Armed Forces of the United States, nationality, political views, religion, disability unrelated to job or program requirements or any other characteristic protected by law is prohibited.
