

Mercer is Investing in Your Success!

The **free 20-hour** Bridge programs are designed for MCCC students who place into developmental Mathematics and/or English courses.

Students will work **4 days a week (2½ hour sessions) for 2 weeks** to review key concepts and retest. Many students who are active, engaged participants in the 8 sessions of the Mathematics or English Bridge program will place into a higher-level course as a result of intensive review and practice.

| 2017 Session Dates | Mathematics Bridge | English Bridge |
|-----------------------|----------------------------|----------------------------|
| June 26-30 & July 5-7 | MTWThF and WThF 9-11:30 am | MTWThF and WThF 12:30-3 pm |
| July 10-20 | MTWTh 12:30-3 pm | MTWTh 9-11:30 am |
| July 24-August 3 | MTWTh 9-11:30 am | MTWTh 12:30-3 pm |
| July 24-August 3 | MTWTh 6-8:30 pm | MTWTh 6-8:30 pm |
| July 24-August 3 | MTWTh 12:30-3 pm in KC331 | MTWTh 9-11:30 am in KC331 |

**All sessions held in LA214 except those with a room noted. Those will be held on the James Kerney Campus.*

The program is open to all MCCC students who are registered for 6 or more credits in Fall 2017. To maximize success, students should focus on one subject per session. Students may elect to take both subjects over different sessions.

Space is limited.

To sign up, contact Chris Freihaut in Admissions: 609-570-3244; freihauc@mccc.edu. Or come to the Enrollment Services office in SC 253.
