Keep for your Records

Your protected health information (date of birth, health insurance provider, and self-reported medical conditions) may be used and disclosed in the event of a medical need while participating in a Mercer County Community College (MCCC) study abroad program. Your protected health information may be used and disclosed to MCCC Center for Global Opportunities office staff and others outside of that office that are involved in your medical care related to your participation in a study abroad program.

MCCC will only use and disclose your protected health information (date of birth, health insurance provider, and self-reported medical conditions) to provide, coordinate, or manage your health care and related services should you require medical treatment while participating in a study abroad program. In addition, your protected health information may be used and disclosed in order to:

- provide health care services to you
- pay your health care bills
- notify or assist in notifying a family member, personal representative, or any other person that is responsible for your care of your location, general condition, or death
- assist in disaster relief efforts and to coordinate uses and disclosures to family or other individuals involved in your health status
