Currently enrolled students may withhold disclosure of any category of information under FERPA. This is the Family Educational Rights and Privacy Act.

Information about student views, beliefs and political associations which professors acquire in the course of their work as instructors, advisors, and counselors shall be considered confidential. Protection against improper disclosure is a serious professional obligation. The college has designated the following student information as public or Directory Information. Such information may be disclosed by the College for any purpose.

- **Name**
- **Dates/Semesters of attendance**
- **Major field of study**
- **Degrees and awards received**

To withhold disclosure, written notification must be received by the Student Records Office within three weeks of the first day of classes for the semester in which the withholding of Directory Information is to take into effect.

MCCC assumes that failure on the part of any student to request specifically the withholding of categories of Directory Information indicates approval for disclosure.
