2015-2016 CHILD SUPPORT PAID VERIFICATION

Your application was selected for a review in a process called "Verification". Verification is a process governed by Federal and/or State regulations and is used to ensure that the information applicants report on the Free Application for Federal Student Aid (FAFSA) is accurate.

The law requires us to ask for this information before awarding Federal Aid. If there are differences between your application information and your financial documents, MCCC will need to make corrections. If you do not complete this form or submit all of the required documents requested, we will not be able to complete the processing of your financial aid.

INSTRUCTIONS
