2017-2018 Verification Worksheet

Federal Student Aid Programs

Office of Financial Aid

Your application was selected for a review in a process called “Verification”. Verification is a process governed by Federal and/or State regulations and is used to ensure that the information applicants report on the Free Application for Federal Student Aid (FAFSA) is accurate. In this process, MCCC will compare information from your 2017-18 FAFSA with this form, if applicable, copies of 2015 U.S. Federal Tax Return Transcripts, or with W-2 forms or other financial documents. Information retrieved using the Internal Revenue (IRS) Data Retrieval Process and not subsequently changed, is considered acceptable documentation for IRS-related information, and your Federal Tax Transcript will not be required.

The law requires us to ask for this information before awarding Federal Aid. If there are differences between your application information and your financial documents, MCCC will need to make corrections. If you do not complete this form or submit all of the required documents requested, we will not be able to complete the processing of your financial aid.

1. Complete and sign this worksheet—at least one parent must sign the certification (SECTION E) on page 2 of the worksheet.
2. Review your Student Aid Report (SAR), information request letters from the Financial Aid Office and the second page of this worksheet to see if you need to submit other documentation (such as default clearance letter, citizenship documentation, social security card, admission to degree program, etc).
3. Submit the completed worksheet, tax return transcripts, and any other documents to Financial Aid Office-Student Center room 213.
4. After a financial aid representative reviews your information, you could be asked to submit additional documentation. When all the information has been reviewed and any necessary corrections made, you will be notified about financial aid awards and payments.
