Advantage Communications: Advantage Communications Group has been solving the technology challenges of business customers for over 15 years. We are a leading sourcing advisor for Connectivity, Cloud and IT solutions worldwide. We have close working relationships with over 150 strategically selected service providers, delivering global coverage and offering the complete spectrum of Voice, Connectivity, Cloud and managed services. Advantage helps companies drive better business outcomes by leveraging a results-driven methodology to selecting technology partners and service providers that on average show savings of 30% or more. All of our solutions are fully supported by our experienced team, allowing clients to focus on their core business.

Army National Guard:

Banc3: A rapidly growing Technology and Engineering firm, provides best value services for DOD and a broad range of federal and state agencies. BANC3 provides Command, Control, Communications, Computers, Combat Systems, Intelligence, Surveillance, and Reconnaissance to U.S. military services. BANC3's core business is design, development, fabrication, integration, test, deployment, and support of advanced EO/IR/Laser/Sensor systems, taking systems from initial concept through deployed system support. The other core competencies include software system development, system integration, and information technology infrastructure support.

Barnes & Noble: Warehouse Distribution, Seasonal Warehouse Clerks, Material Handlers.

Charlotte Russe: Named after the delicious French dessert, Charlotte Russe began its sweet journey in 1975 with the first store opening in Carlsbad, California. Putting a spotlight on women in their teens and early twenties, our store offered access to major fashion trends at value-oriented prices. And over a few exciting decades, the mall-based chain went from 35 stores in southern California to 500+ stores across the United States and Puerto Rico.
