Fall 2014 Open House!

Are you thinking about potentially changing careers and getting involved in a healthcare profession where you can really make a positive difference in the life of someone else? You might want to think about the Physical Therapist Assistant Program! It's challenging but it definitely is a positive profession!

Attend the PTA program open house to learn more about how you could potentially get started in this rewarding field.

When: Wednesday August 20\(^{th}\) 7-8pm
Where: **AD 131 on the West Windsor Campus**

Mercer County Community College
1200 Old Trenton Rd.
West Windsor, NJ 08550

pta@mccc.edu

Come and find out:

- The Degree Requirements
- The Petitioning process
- Employment outlook for PTAs
- What courses can be transferred into MCCC
- How you can get started
- Who the key contacts are at MCCC
- How realistic it might be for you to start this type of program
- Whether or not this would be a good fit for you
- What the differences are between a PT and a PTA
