FOR HIGH SCHOOL STUDENTS

"Education is the most powerful weapon
which you can use to change the world."

WHAT IS A SCHOLARSHIP?

Scholarships are payments to support a student's education that do not need to be repaid. Mercer County Community College and the MCCC Foundation award over \$300,000 in scholarship funds annually to current and graduating students.

Each semester, the MCCC Foundation has a number of scholarships available to award in all program areas. Scholarship award amounts vary. Whether you are a new, continuing or graduating student, you may be eligible for one or more scholarship opportunities. *Some of our scholarships do not even require completion of the FAFSA!*

HOW TO APPLY

BEFORE APPLYING:

Before beginning your MCCC AwardSpring online application, have the following available:

- Mercer County Community College ID #, if you have one. For current high school students, an MCCC ID # is not needed to apply, unless you have been notified that you have received an award.
- To get an MCCC ID, visit www.mccc.edu/apply to complete the online admissions application.
- Current high school GPA
- Most recent copy of your unofficial high school transcripts
- Program of study (if applicable)

Optional: FAFSA confirmation page. This is required to qualify for some financial need-based scholarships. *Not all of our scholarships require a FAFSA.*

WHEN APPLYING:

It's easy! Students may apply for one or more scholarships by submitting a single application. Scholarship applications may be submitted online at www.mccc.edu/apply4awards

- Create a user account in our online scholarship portal, MCCC AwardSpring, and complete the online scholarship application.
- Once you have submitted your application, check your MCCC AwardSpring Dashboard for any "Follow-Up" notifications.
- Generally, Follow-Ups are essays. Take your time and write thoughtfully, because a really good essay can set you apart from other applicants.
- Be sure to answer all questions and upload all required documents. Applications without all requested materials will be considered incomplete.

AFTER APPLYING:

- **IMPORTANT:** Keep your information, including email address changes, up to date on AwardSpring. We cannot notify you of scholarship updates if we cannot contact you!
- If you are a continuing student, you can apply using your Fall transcripts. But for your application to be complete, you must log in to AwardSpring after the end of the Spring semester and update your application with your most current Spring transcript. *Failure to update with your current Spring transcript will make you ineligible for Fall scholarships.*
