Evaluation of student learning:

Homework (flipped class design): reading/written practice activities/ recorded voice activities (20% of final grade)

Required work in preparation for each class includes the reading and practice of vocabulary lists and grammar explanations. Activities that contextualize these points will be completed on a daily basis. These assignments can be done individually by students and are not necessarily communicative in nature.

Participation during class meetings in small and large group discussion; guided dialogue (20% of final grade)

In-class course work will be comprised of communicative activities which develop precisely those skills that the student cannot perform alone at home: that is, speaking with others in German. The language of instruction and classroom business is in the target language.

Short spoken presentations (prerecorded or during class) (15% of final grade)

Spoken communication (speaking and listening) will be assessed by at least two oral presentations in the form of spontaneous dialogue.

Short essays (15% of final grade)

Assessment of writing skills will be evaluated by at least three in-class short essay writing.

Written unit tests (20% of final grade)

Students will complete a written test after each unit. These written assessments will measure skill levels in reading comprehension, writing, grammar constructions and listening comprehension.

Final exam or project (10%)
