

# GUIDELINES

- We stock the Pantry shelves through donations. Most of our food comes from food drives, individual donations and the help of organizations including student groups. This means that the foods you see on the shelves will change over time.
- Because we work from donations, we will sometimes struggle to keep up with demand, especially as we grow. Please keep in mind that others use the pantry.
- Please be mindful of our guidelines for quantity limits on food. If you have a special circumstance, please let us know.
- We are happy that you are here to use the Pantry. We will always treat you with respect and ask that you treat the staff and other shoppers with respect.
- We ask that you respect the privacy of other people you may see in the Pantry.
- You are welcome to come to the Pantry twice a month<sup>1</sup> or just when you need our help.
- The Pantry is open year round and is only a supplemental source of food for your needs.
- The Food Pantry Hours of Operations<sup>2</sup> are:
