WHAT IS CLEP?

The College Level Examination Program (CLEP) is a series of introductory college subject examinations that allow individuals to earn college credit for what they already know, regardless of how the knowledge was acquired. Our institution awards credit to our students for successful scores on CLEP exams.

The exams are administered on computer, and students receive instant unofficial score reports, except for the 'College Composition' and 'Spanish with Writing' tests. There is a CLEP STUDY GUIDE that provides information about each test and can help you prepare for your CLEP exam(s). Visit any library including our own Mercer County Community College Library and ask the Reference Librarian for the CLEP Study Guide.

WHAT DO I DO TO TAKE CLEP AT MERCER?

- Go to **https://clep.collegeboard.org/** and click on "Register for an Exam."
