

# FRANK SASSO

Award Winning Animator

## DISTINGUISHED LECTURE SERIES FALL 2021 SEMESTER

### *Behind the Scenes of Animation, Disney, and Ren & Stimpy!*

- Award Winning Animator
- Chief Remote Penciller for Stimpy from the children's television series *The Ren & Stimpy Show*.
- Animation supervisor for three Cheetos commercials featuring "Chestah Cheetah."
- Trainer of Disney animators for animation techniques such as movies as *Beauty and the Beast* and *The Little Mermaid*.
- Award Winning Podcaster
- Long-standing member of American Cinema Editors (ACE), and contributing member of the American Society of Cinematographers (ASC) in which he holds five "Member Excellence" commendations for his industry articles to the organization.
- Owner of New Pod City, a podcast recording and hosting company.
- Serves as creative/production director at G Force Creative, LLC which is both a world-class producer of animated content and a trusted resource for top-shelf animation for all platforms.
- G Force is currently in development with *The Legends of Valdoria*, *Mabel's Monsters*, and *Butterfly Hero*, a client piece that tells the Easter story through the world of butterflies.
