

2025-2026 V4 Verification Worksheet

Your 2025-2026 FAFSA was selected for a review by the Federal student aid for a process called verification. The Office of Financial Aid at Mercer County Community College is required to compare your FAFSA with the information in the documentation we have requested. Once you submit the documentation, if there are differences between your FAFSA and your documents, the office make corrections to your FAFSA. When the review is final, Federal financial aid eligibility will be determined. Failure to submit any requested documentation will result in you being ineligible for Federal student aid.
