# **L.E.A.D. PROGRAM**

**Be Tomorrow's Leader**

## **PURPOSE OF MERCER COUNTY COMMUNITY COLLEGE'S L.E.A.D. PROGRAM:**

The L.E.A.D. program aims to provide students and all of those who are interested with the skills necessary to become tomorrow's leaders and innovators through educational activities, workshops, and seminars. L.E.A.D. also gives students the opportunity to give back to the community by engaging in various community service activities. We want our students to feel encouraged to take initiative and be successful and productive members of their community.
