EXPERIENCED STAFF, QUALITY FACILITIES

Celebrating their 43rd season, this year’s Sports Camps include nine different sports in one-week, full-day sessions. Staffed by experienced instructors, including local visiting college and high school coaches and college athletes, our camps are designed to help youngsters develop their skills in a competitive, but fun, environment. Making use of the college’s excellent athletic facilities, campers enjoy small group, individualized instruction based on their age and/or ability, along with friendly competitions.

Our directors have many years of experience and expertise in their sport. They structure their approach to ensure that each camper, from the beginner to those with more advanced skills, makes progress and achieves new goals. Appearances by special guest coaches supplement the activities developed by the regular staff.

Mercer’s camp programs are inspected and certified annually by the NJ State Dept. of Health. Each camp includes certificated K-12 Instructors.
