

ARTICULATION AGREEMENT

DeVry University and Mercer County Community College

This Articulation Agreement between DeVry University and Mercer County Community College is intended to allow Mercer County Community College associate degree graduates to transfer approved credit hours into a DeVry University program of study. DeVry University will award semester transfer credit for approved Mercer County Community College courses into the Bachelor of Science program in Business Administration (BSBA).

DeVry University Profile and Accreditation

DeVry University is regionally accredited by The Higher Learning Commission of the North Central Association (NCA). DeVry University fosters student learning through high quality, career-oriented undergraduate and graduate programs in technology, business and management. The university delivers its programs at campuses, centers and online to meet the needs of a diverse and geographically dispersed student population. Classes may be offered weekdays, evenings and weekends, and may be offered in semester and accelerated formats. All course credits are stated in terms of semester credit hours.

Mercer County Community College Profile and Accreditation

Mercer County Community College serves over 30,000 people each year in associate degree programs, credit and noncredit certificate programs, continuing education, customized training for businesses, career training, youth programs, and summer camps for children. Mercer County residents comprise three-fourths of the student population while international students (non-immigrant) representing more than 110 countries make up 4% to 5% of the student population. Enrollment includes 62% part-time students, 38% full-time; 43% men and 57% women. Mercer County Community College uses semester hours.

Mercer County Community College is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools and is authorized by the State of New Jersey's Commission on Higher Education to award associate degrees.

Articulation Transfer

The DeVry University Academics Department develops, approves, maintains, and publishes the Articulation Agreement guidelines in accordance with DeVry University Academic Policy and procedures. This Articulation Agreement provides a comprehensive determination of the coursework paths into DeVry University programs in accordance with those policies, guidelines and procedures.

1. This articulation agreement is based on:
 - a. DeVry University admissions requirements, academic policies, program requirements, and course descriptions. [References: DeVry University catalog/calendar; Undergraduate Academic Policy regarding Transfer of External Credit]
 - b. Mercer County Community College Catalog course descriptions and other relevant information.

2. DeVry University requires that a minimum of 25 percent of the required course credit hours in a baccalaureate curriculum be completed at DeVry University in order to graduate.
[Reference: DeVry University catalog/calendar]
3. According to New Jersey State Guidelines for the bachelor's degree, approximately half of the required credits shall be in general education and the other half shall be in the major and/or in courses necessary to fulfill requirements for the degree.

Renewal and Changes

This Articulation Agreement must be reviewed periodically for continued validity, applicability, new courses and programs at DeVry University and new courses and programs at Mercer County Community College. The President of Mercer County Community College and the President of DeVry University North Brunswick, or their designees, must approve amendments to this articulation agreement. Any other modifications to this agreement, including termination, may be made following the written notice from either party. One semester or four months notice is desired for major changes. When authorized officials of the two institutions sign this agreement, each institution is free to publicize this agreement in a manner consistent with the agreement.

This Agreement Includes The Additional Attached Documents:

1. The Mercer County Community College degree articulating into the DeVry program. This list maps the articulating program, with its associated courses, into the graduation requirements for the DeVry programs. Any additional information used to assess the viability of the equivalencies (e.g., labwork) is noted next to those courses.
2. Course descriptions, including prerequisites, of the articulating courses as presented in the Mercer County Community College Catalog.
3. A scholarship for up to two DeVry courses to be awarded to Mercer County Community College students in good standing in order to satisfy DeVry associate's level requirements prior to enrollment at DeVry.

Agreement Approvals

The effective date of this Agreement shall be September 29, 2006, and shall continue in effect in accordance with the provisions stated above.

Each party signing this Agreement is authorized by their institution to enter into this Agreement on behalf of their Institution.

Thomas N. Wilfrid, Ph.D.
Acting President
Mercer County Community College
