Retirement Workshop at Mercer County Community College

Division of Pensions and Benefits has scheduled a retirement workshop for member of Public Employees' Retirement System and Teachers' Pension and Annuity at MCCC.

Date: Friday, November 7. 2014

Time: 10:00 am

Location: CM108.

Retirement Workshops are designed for members who plan to retire *within the next two years*.

Retirement workshops and Webinars take a step-by-step approach to the retirement process and explain what happens after you submit your application. We explain your benefits, survivor options, group life insurance, loan repayment provisions, and the taxability of your pension. There is also a brief discussion of School Employees' Health

Benefits Program coverage in retirement. If time permits, sessions conclude with a question and answer period.

If you register to attend be sure to do the following:

- **Be sure the workshop or webinar you select is for your retirement system** (PERS, TPAF, or PFRS)
- **You should complete and print an *Estimate of Retirement Benefits*** using the [Member Benefits Online System](#) (MBOS). Retirement estimates *are not* provided at the workshop. Estimates obtained from MBOS are the same estimates that are obtained when visiting the Division's offices and use identical salary and service information.
- **Bring your estimate to the workshop** so you can follow along during the presentation.
- **To register with MBOS** go to: www.state.nj.us/treasury/pensions/mbosregister.shtml and follow the registration instructions.

Space is limited for classroom sessions! Register today!
